

## Our Theme – Diving Deeper

Jesus invites his followers, no matter what age or stage of life, to dive deeper. Have you heard the call? Join us to hear God's voice for you! Together we will learn to go out into the deep with Jesus and listen for what God is saying—God who barges into the middle of our lives and invites us into the deep so he can accomplish astounding things. Together let's press in to hear. We have each other. Draw near. Trust Jesus. And let's go into the deep.

Fellowship, devotionals, small group activities, and fun will abound as we explore what God is saying to us.

A worship service will complete the weekend.
