Please make checks payable to "FPCA Gifts of Hope"

If paying by check, please write check # : _____

**Because this is not a direct gift to First Presbyterian Church of Arlington, this donation will not appear on your contribution statement and is not tax deductible*

More information about your Gifts of Hope

World Vision is a global Christian humanitarian organization that partners with children, families, and their communities to reach their full potential by tackling the causes of poverty and injustice. **One duck** (\$10) or **one chicken** (\$12.50) produces hundreds of protein-rich eggs to feed a family year round. The purchase of a **fruit tree** (\$9) provides food, income, and even seeds to plant more trees. Purchasing **medicine for children** (\$5) saves lives by providing antibiotics, antiparasitic drugs, and other medical supplies.

International Justice Mission is an international human rights organization that rescues victims of violence, sexual exploitation, and slavery. You can purchase a **warm blanket** (\$9) for a former slave, many of whom are rescued owning just a change of clothes. A child's first moments after rescue can feel scary, confusing, and overwhelming. A **care kit** (\$20), including new clothes, food, toiletries, and toys, to make the transition to freedom for a victim a little easier.

Voice of the Martyrs is a non-profit, interdenominational organization with a vision for aiding Christians around the world who are being persecuted for their faith in Christ. An **action pack care kit** (\$50) includes items such as a jacket, socks, bed sheet, towel, soap, etc. and is given to Christians who have been persecuted and displaced because of their faith. Christians residing in restricted nations are often denied access to **Bibles** (\$6). Your contribution can help print and smuggle Bibles to believers—in their own language—who would otherwise live their lives without ever reading the word of God.

Save the Children programs around the globe provide nutrition, health care, education and economic support to children and families who require urgent assistance in response to conflicts, epidemics and climate disasters. A **clean water kit** (\$20) maintains hygiene and health – includes soap, bucket and water-purifying tablets. To help prevent malaria, a leading cause of death for children, a **mosquito net** (\$25) provides a defense for the sleeping children. For children suffering from acute malnutrition, **two weeks supply high-protein food** (\$14) helps restore their health and well-being.

H.O.P.E. Tutoring provides free tutoring to Arlington children in grades 3 through 8 in a safe learning environment. Our church is one of many sites throughout the city that hosts one-hour afternoon or evening tutoring sessions, and many of our church members volunteer weekly. Your donation can help provide **paperback books** (\$5) for the students or **3 reams of paper** (\$25) for the organization's printing needs.

Presbyterian Children's Homes and Services serves children and families by providing Christ-centered care and support to children and families in need. FPCA partners with the Waxahachie location which houses many children whose parents who are not able to care for them. Your gift can provide **toiletries for a child for a month** (\$10) or **one school backpack** (\$15) for children in the care of PCHAS who need these items.

"Truly I tell you whatever you did for one of the least of these. . . you did it for me." Matthew 25:40
